Cementation Awarded Gold at the 2019 Canada’s Safest Employers Awards

October 23, 2019 for Immediate Release

NORTH BAY – Cementation Canada Inc. (Cementation) has been recognized as one of Canada’s Safest Employers for 2019. The gold award in the Mining and Natural Resources category was presented to Cementation during the Canada’s Safest Employers Awards Gala hosted by Canadian Occupational Safety magazine on October 22, 2019, in Toronto.

The Canada’s Safest Employers Awards were launched in 2011 and acknowledge companies from across Canada with outstanding accomplishments in promoting the health and safety of their employees. Companies are evaluated on a broad range of initiatives including employee training, OHS management systems, incident investigation, emergency preparedness and innovative health and safety initiatives.

“We are very pleased to receive this recognition from Canadian Occupational Safety magazine,” says Steve Wrixon, General Manager Health and Safety for Cementation Canada. “This is a great honour for all of our employees who have been part of building Cementation’s culture and safety systems.”

The awards cover ten industry-specific categories ranging from Hospitality to Mining and Natural Resources, and four special awards including Wellness, Psychological Safety, Young Workers Safety and Canada’s Best Health & Safety Culture.
